Thermal Physics

The general opinion is, that oak should never be used for the planking, it being so very liable to warp; and it is considered a good plan to cover the boards with a layer of fern or chaff, that they may be the better able to resist the action of the lime.

The Seaboard Parish

The growing emphasis on cultural awareness is largely due to the efforts of professional and student organizations, such as APS and the APS Student Caucus, to promote research that captures the complexity of the culturally diverse society in which we live. See if you have enough points for this item.
