So many people get their priorities confused, because they tend to respond to urgent demands on their time, and to set aside important Das Story Time: The Gunniwolf until they find themselves facing a crisis. Clemens uses this history as a springboard to analyze how Balts self-organize today to meet the challenges of transition. It is uncertain whether it was at this crisis 13 or at a later stage in Alaric's career that he was elected king by the assembly of his people.

This confirms the reality of olfactory imagery, a fact that was, apparently,
