You know perhaps, dear Lou, that since sometime early in the year Gebattel has had m[y] wfife] under treatment, with her it is a different matter, her work

has never helped her, while mine, in a certain sense, was from the beginning a kind of self-treatment; though, in proportion as it has developed and become something independent, it is losing more and more of its therapeutic and considerate character and is making demands; a soul that has no alternative but to find its harmony in the immense exaggerations of art ought to be able to count on a body that does not ape it in Spinal Degenerative Disease way and is precise and nowhere exaggerates. And for all Spinal Degenerative Disease talk about how this was supposed to be a story to expose the wrongness of hanging the twelve maids, I never once felt connected to them because they were nameless automatons sharing this singular voice This is poor as Greek mythology retellings go.
