The Book of Mormon claims to be a divinely inspired record If false, it is one of Hans Baldung Grien: 45+ Renaissance Paintings most cunning, wicked, bold, deep-laid impositions ever palmed upon the world, calculated to deceive and ruin millions If, after a rigid examination, it be found an imposition, it should be extensively published to the world as such: the evidences and arguments on which the imposture was detected, should be clearly and logically stated Our study of the Book of Mormon has extended over a period of thirty years and has led us to conclude that it is not an ancient or

divinely inspired record, but rather a product of the nineteenth century. This is another great option for every day wear and protection from normal sun exposure not for sun bathing.
